AB 2043

Torricco, Alberto (D-20th)

Status: Assembly Appropriations Suspense File

Description: Would redefine the term redevelopment to include the provision of loan assistance to reduce the principal balance on home mortgages for qualified homeowners. Qualified homeowners would mean a low- or moderate-income homeowner who resides in his or her home. The bill also cites legislative intent that the subordinate loan would: 1) provide leverage to secure greater principal reduction; and 2) have a rational relationship to the amount needed to prevent foreclosure and to the present value of the forgiven principal. This measure would sunset on January 1, 2016.
