ARTICLE 18 CASELOADSSection 3. Department Labor/Management Committee on Caseload and Workload

Within 30 days of the adoption of the terms and conditions of the 2007 Reopener by the Board of Supervisors, a monthly joint Labor/Management Committee will be re-established. This Committee shall recognize DCFS' management right to determine the means, method and personnel to accomplish the department's mission. The Committee therefore shall be involved, to extent possible, with planning for the implementation of new initiatives and programs, and the ongoing review of existing initiatives and programs, to achieve a more efficient and effective workflow process. The Committee shall be comprised of one (1) Management Executive Committee Team member, management representatives (at least at the level of middle and senior management), department labor relations representatives, employee representatives from the CSW classes and two (2) Union field representatives. Either party, at their own expense, may bring in experts to address specific committee issues. The Director, Chief Deputy Director, Senior Deputy Director and Deputy Directors may attend committee meetings as their scheduling permits. Subject to CEO approval, a designee from CEO Budget and Operations Management Division may attend. The employee representatives may attend committee meetings on release time.

The goal of the Committee is to ensure that CSWs have effective caseloads and manageable workloads to provide the necessary services to children and their families. To achieve its goal, the Committee may develop, review and recommend revenue

enhancement strategies, structural and programmatic changes, fiscal strategies and worker safety issues. Committee recommendations will be submitted to the Department Executive Committee for approval and/or implementation. The Executive Committee will respond to all written formal recommendations within 30 days. For those committee recommendations approved by the Director which may require Board of Supervisors approval, the Director shall request in writing Board review and consideration of these during the budgetary process each fiscal year. The minutes of each Committee meeting shall be distributed to the Director and each member of the Committee.

The Committee initially will establish subcommittees to address key areas of concern:

- CSW workload reduction utilizing the Interest-Based Problem Solving process
- Departmental policy implementation impacting the CSW workload

Other subcommittees may be established to address key areas of concern as the need arises. The Committee will determine the composition, duration and meeting frequency of all subcommittees.

Within 60 days of the approval of the terms and conditions of the 2007 Reopener by Board of Supervisors, DCFS will implement the interest-based problem solving process joint labor-management recommendations in accordance with the Executive Committee response dated November 1, 2007.

Section 4 A.Supplemental Program Designations

Within 60 days of approval of the terms and conditions of the 2007 Reopener by the Board of Supervisors, the department will acknowledge the following supplemental program designation:

| PROGRAM DESIGNATION | YARSTICK MONTHLY | LIMIT MONTHLY | MONTHLY MAXIMUM FOR DISCIPLINE |
|------------------------|---------------------|------------------|--------------------------------------|
| INTENSIVE SERVICES+ | 31 | 38 | 31 |

- + It is acknowledged that the Intensive Services Worker (ISW) is a functional title of a CSW within the Child Welfare Services FM/FR Program; therefore, the yardstick of an ISW will be that of the CWS FM/FR program. Provided additional funding is available, it is the Department's intent to reduce this yardstick in the future.

ARTICLE 28 REIMBURSEMENT

When a Children's Social Worker is out of the office and is unable to obtain a meal coupon, management shall reimburse Children's Social Workers for the purchase of meals for children for which they have caseload responsibility.

Children's Social Workers shall submit a receipt in order to obtain reimbursement for meals purchased.

The reimbursement rate for each child and per each meal shall not exceed the following:

- a) Breakfast \$8.00
- b) Lunch \$10.00
- c) Dinner \$12.00
