If an employee's work schedule must be altered to accommodate operational requirements on any scheduled work day and the employee is required to report for work up to two hours earlier than his normal shift starting time, this shall be considered an early shift start and not a call back. Employees assigned to an early shift start will be allowed to work to the end of their normal shift provided work is available in their classification.

Section 2. Standby Time

When employees are authorized and assigned to regularly scheduled periods of standby service at off-duty times, such employees will be compensated at the rate of 75 cents per hour for each hour of such assigned standby service.

The parties jointly agree to recommend to the County's Board of Supervisors that effective January 1, 2001, that standby pay be increased by twenty-five cents (\$.25) per hour for a total of one dollar (\$1.00) per hour.

ARTICLE 8 OVERTIMESection 1. Compensation

The parties agree to jointly recommend to the County's Board of Supervisors that overtime shall be compensated as follows:

- A. The County will pay overtime for all hours worked in excess of forty (40) in one week. "Hours worked" will be calculated as provided for by the Fair Labor Standards Act, 29 U.S.C. 201, et seq. Hours worked do not include time for which persons are compensated but do not actually work, including but not limited to, sick leave, and vacation pay with the exception that those hours paid during a work week for a regular County holiday will be counted in calculating hours worked for overtime purposes.

The County will pay employees for any overtime worked at a rate of one and one-half (1 ½) times his/her regular rate of pay. Regular rate of pay shall be calculated as provided for by the Fair Labor Standards Act.

- B. On or after August 1, 1995, at the employee's option, time "on the books" may continue to be taken as time off, subject to management approval, or may be converted to pay. An employee electing payment for any portion of his or her CTO accrual balance may submit a request and, within forty-five (45) days of that request, shall be paid at the rate of pay then in effect for the employee.

- C. With the approval of departmental management, an employee in the Bargaining Unit may elect to accrue up to 50 hours of FLSA overtime worked to be used as compensatory time off in lieu of pay, at the rate of one and one-half (1 ½) hours for each hour of overtime worked. This will be used at the rate of 1 ½ or 75 hours.

An employee who wants to use his/her accumulated compensatory time must submit a written request ten working days in advance of the dates for which time off is desired. Such accumulated compensatory time may be taken off subject to staffing requirements and with prior written approval by departmental management.

Management may direct an employee to use his/her accumulated compensatory time provided the employee is given thirty days calendar notice.

Employees may not accrue overtime hours which are worked during a Board of Supervisors, State, or Federally declared emergency and/or disaster periods, unless management approves the accrual of such overtime hours.

Section 2. Savings Clause

If, during the term of this agreement, the Fair Labor Standards Act is delayed by law or is determined not to be applicable to all or any classification of public employees or public agencies through legislation, regulation, or court decision, the overtime provisions

of the 1983-85 MOU shall be reincorporated into this MOU and applied in this Unit and any contrary language shall be deleted subsequent to the effective date of such action.

Section 3. Distribution of Overtime

Management shall assign overtime work as equitably as possible among all qualified employees in the same classification in the same organizational unit and work location. In the assignment of overtime under this provision, however, management may consider special skills required to perform particular work.

It is agreed and understood that nothing herein is intended to limit or restrict the authority of management to require any employee to perform overtime work, and it is further agreed that overtime will be ordered and worked only when required to meet the County's public service obligations.

If an employee is assigned to an out-of-class assignment for more than 20 consecutive working days, management shall upon the employee's or union's written request for relief either:

appoint the employee according to Civil Service Rules. If the person is appointed within 30 calendar days from the date of request for relief, no bonus under this article is to be paid;

return the employee to an assignment in his/her own class. If such return is

made within 30 calendar days of the request for relief, no bonus under this article is to be paid; or

pay the employee the bonus. The bonus is paid from the date of request for relief, and terminates when the conditions of this article are no longer met.

This bonus is not applicable to persons employed on a temporary, recurrent, or less than full time basis.

Section 3. Special Provisions

- A. Nothing herein shall be construed to limit the authority of management to make temporary assignments to different or additional locations, shifts or work duties for the purpose of meeting emergency situations over which the department has no control. However such assignment shall not extend beyond the period of such emergency.

- B. Nothing in this article shall be construed as limiting management's authority to make temporary incidental assignments on higher rated classifications work, or to assign employees out-of-class for the purpose of training without any additional compensation for the duration of such training. Written confirmation of such assignment will be placed in the employee's personnel file upon request of the employee.

- C. It is agreed that the provisions of this article will be applied within departments and districts within the County and is not intended to apply across departmental organizational units.

- D. Upon the employee's written request a written confirmation of his/her out-of-class assignment shall be placed in the employees personnel file after completion of the out-of-class assignment. A copy will be provided to the employee.

- E. Grievances filed under this article may be filed under the expedited arbitration procedure set forth in this MOU.

ARTICLE 14 ASSIGNMENT OF ADDITIONAL RESPONSIBILITIES

Upon the employee's written request, any permanent, full-time employee shall be entitled to additional compensation for the performance of additional responsibilities which are assigned and approved by the Department Head or designated management representative and the Chief Executive Office.

The Department shall notify an employee in writing of the approval or denial of his/her written request within 45 business days of receipt of the request for the additional responsibilities bonus.

If an employee is placed in an assignment requiring the performance of additional responsibilities prior to the Department obtaining CEO approval, he/she shall be returned to an assignment in his/her own classification and notified of the action in writing.

To qualify for this additional compensation on a full-time permanent employee must either:

1. Be assigned to a special project or assignment which requires the performance of additional duties and carries additional responsibilities beyond those typically allocated to the employee's class. The assignment of additional duties normally performed by incumbents of the employee's class would not qualify for this additional compensation. The bonus for

being assigned a special project or assignment shall be two standard salary schedules; or

2. Performs all the significant duties of a higher level class for which there is no vacant funded position. The bonus shall be two standard salary schedules, unless the difference between the employee's class and the higher level class is less than two standard schedules. In this case, the bonus shall be the difference between the two classes.

The bonus provision of paragraph 2. above does not apply to employees on short term higher level assignments of two weeks or less.

For employees on higher level assignments of 2 weeks and 1 day, the additional compensation shall begin on the first day the additional responsibilities are assigned by Management and shall end on the day the additional responsibilities are no longer performed.

In no event shall an employee receive compensation pursuant to this Section and receive out of class bonus pursuant to Article 13 for the same assignment.

The additional compensation provided in this section shall not constitute a base rate.

ARTICLE 15 CHANGE OF ASSIGNMENT

Permanent full-time employees in the Unit who received at least a competent rating on their last performance evaluation and who desire to be assigned to a different work location(s) in their department may submit a written request for such assignment listing the specific work location requested to their department's personnel office. For purposes of this Article, each hospital in the Department of Health Services shall be considered to be a department.

Requests submitted during the window period January 1 through January 31 will be granted priority status and will be addressed in seniority order. Requests for change of assignment submitted after January 31 shall be listed after the above requests in order of receipt. Each employee will be permitted to maintain 3 transfer requests on file. An employee transferred in accordance with this procedure may not submit a request for another new assignment until the next window period but will not be considered for voluntary transfer until a minimum of twelve (12) months have passed since the transfer. Management will submit to AFSCME, Local 119, a copy of all requests submitted during the window period.

When Management decides to fill a vacancy by transferring a current employee to such vacancy, Management shall review the requests for transfer currently on file. Management will then select one of the three (3) most senior qualified employees who would not need additional training. For purposes of this Article, seniority shall be defined as the total amount of continuous service in the classification and within the

department. Management will notify AFSCME, Local 119, prior to filling any vacancy where a transfer request has been made.

Management shall provide AFSCME Local 119 a list of all work locations at all facilities where work is performed by employees represented by AFSCME, Local 119. During emergencies, the provisions of this Article shall be applied only to the degree practicable. When new facilities are instituted, the right to assignment changes under this Article shall be limited to the extent necessary to maintain an adequate, experienced work force in the remaining facilities.

ARTICLE 16 PERSONNEL FILES

An employee, or his/her certified representative with the written consent of the employee, may inspect that employee's personnel file with the exception of all material obtained from other employers and agencies at the time that the employee was hired.

An employee shall be advised of, and entitled to read, any written statement by the employee's supervisor or departmental management regarding his work performance or conduct if such statement is to be placed in his personnel file. The employee shall acknowledge that he has read such material by affixing his signature on the copy to be filed, with the understanding that such signature merely signifies that he has read the material to be filed but does not necessarily indicate agreement with its content. If the employee refuses to sign, the supervisor shall note his refusal on the copy to be filed along with the supervisor's signature and the signature of a witness to the employee's refusal to sign.

The employee may file a grievance regarding any such document within the prescribed time limits of the grievance procedure. If the employee fails to file a grievance within the designated time limits, the document becomes part of the official file. If the employee does file a grievance within the designated time limits, said document would not be placed in the official file until the grievance procedure or civil service appeal rights have been exhausted. Grievances filed under this provision shall not be subject to the Arbitration provisions of the Grievance Procedure unless they involve violation of a specific provision of this agreement.

On reviewing his/her personnel file, an employee may request and have any written warnings issued more than one year prior placed in an envelope and sealed in his/her personnel file except as such may be a part of an official permanent record. On the face of the sealed envelope it shall read "The contents herein shall be disclosed only upon written consent of the subject employee or by subpoena or other legal process from a public body of competent jurisdiction." The date the contents of the sealed envelope will be destroyed shall also appear on the face of the envelope. That date shall be two (2) years from the date of issue of the documents in the sealed envelope.

An employee on reviewing his/her personnel file, may request and have any written warnings or reprimand(s) issued more than two (2) years prior removed from his/her personnel file except as such may be a part of an official permanent record.

Management agrees that no properly used full paid sick leave used in the twelve months immediately prior to an Appraisal of Promotability or a Performance Evaluation will reference on such forms.

ARTICLE 17 PAYCHECK ERRORSA. Underpayments

1. If an underpayment of 10% of base monthly pay (5% of base monthly pay if paid twice a month) or \$100, whichever is least, occurs in an employee's paycheck, a paycheck correction may be requested. Such request must be made to the appointing authority within two business days after receipt of the warrant. Otherwise, the correction shall be made in the next regularly issued warrant.

2. The Auditor-Controller will issue a corrected or supplemental warrant within three working days after receiving the request from the appointing authority.

3. Changes in salary resulting from step advances or changes in status are excluded from amounts which constitute paycheck errors for purposes of this Article.

B. Overpayments

1. Employees will be notified prior to the recovery of overpayments.

2. Recovery of more than 15% of net pay will be subject to a repayment schedule established by the appointing authority under guidelines issued by the Auditor-Controller. Such recovery shall not exceed 15% per month of disposable income (as defined by State law), except, however, that a mutually agreed-upon acceleration provision may permit faster recovery.

If the parties cannot mutually agree upon an arbitrator from the lists of arbitrators provided by the Employee Relations Commission, they will select an arbitrator through an alternate striking of names from that list. The party to strike the first name will be determined by chance.
5. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved. If a majority of those employees voting, vote in favor of agency shop, then the following provisions shall apply:

A. Agency Shop Defined

It is mutually agreed by the parties that the term “Agency Shop,” means that every employee represented by this Bargaining Unit shall as a condition of continued employment, either join the certified majority representative organization; or pay the organization a Fair Share Fee equal to Union dues; or pay an Agency Shop Fee; or pay a sum equal to the Agency Shop fee to a non-religious, non-labor charitable fund exempt from taxation under Section 501 (c)(3) of the Internal Revenue Service Code.

B. Religious Objections

An employee who is a member of a bona fide religion, body, or sect which has historically held conscientious objections to joining or financially supporting public employee organizations, shall not be required to join or financially support the Union. Such employee shall, in lieu of periodic dues or Fair Share Dues, pay sums equal to Agency Shop Fees to a non-religious, non-labor charitable fund

exempt from taxation under Section 501(c)(3) of the Internal Revenue Service Code. Such funds shall be paid through payroll deductions to eligible charitable agencies available through the Los Angeles County Charitable Giving Program.

C, Agency Shop

It is mutually agreed by the parties that this Unit is an agency shop Unit. It is the intent of the parties that the agency shop provisions in the Memorandum of Understanding comply with applicable state law (Government Code Section 3502.5).

D. Rescission

It is mutually agreed by the parties that the agency shop provisions in this Memorandum of Understanding may be rescinded by a majority vote of all the employees represented by this Bargaining Unit, under procedures established by the Employee Relations Commission. In the event such agency shop provisions are rescinded, then the procedures as described in Section 1 and 2 shall prevail. There shall be only one election during the term of this Memorandum of Understanding.

E. Union Responsibilities – Hudson Notice

The union agrees to provide notice and maintain constitutionally acceptable procedures to enable non-member agency fee payers to meaningfully challenge the propriety of the use of agency fees as provided in Chicago Teachers Union,

Local No. 1, AFL-CIO et al. v. Hudson, 106 S. Ct. 1066 (1985). Such notice and procedure shall be provided to non-member agency fee payers for each year that the agency shop agreement is in effect.

F. Implementation

Any employee hired by the County subject to this Memorandum of Understanding on or after the date of implementation of this Article, shall be provided, through the employee's department, a notice advising that the County has entered into an Agency Shop agreement with the Union and that all employees subject to the Memorandum of Understanding must either join the Union; pay a Fair Share Fee equal to union dues; or pay an Agency Shop Fee to the Union; or execute a written declaration claiming a religious exemption from this requirement. Such notice shall include a payroll deduction authorization form for the employee's signature authorizing payroll deduction of Union dues, Fair Share Fees, Agency Shop Fees or execution of a written declaration claiming a religious exemption from this requirement. Said employee shall have thirty (30) working days following the initial date of employment to fully execute the authorization form of his/her choice and return said form to the Union or department payroll office. If the form is not completed and returned with thirty (30) working days, the County Auditor shall commence and continue a payroll deduction of a Fair Share Fee equal to Union dues from the regular pay warrants of such employee.

The effective date of deducting Union dues, Fair Share Fees, Agency Shop Fees or charitable contributions shall be the first pay period following thirty (30) working days of employment or the pay period this Article becomes implemented for current employees, whichever is later.

G. Employee Lists

The County will furnish the Union with a monthly list of employees in the Bargaining Unit. The employee list shall contain the name, employee number, date of hire into the Unit, classification title, item number, item sub, item step salary rate, work location, latest hire date and job appointment date of all employees who enter the Bargaining Unit and who are covered by this Memorandum of Understanding. This employee list shall be provided to the Union at a cost to be determined by the Auditor-Controller.

Such lists shall include new hires, and employees promoted, demoted, or transferred into the Bargaining Unit. The monthly list shall also contain information which includes the names and effective dates of employees leaving this Bargaining Unit.

H. Indemnification Clause

The Union agrees to indemnify and hold the County of Los Angeles harmless from any liabilities of any nature which may arise as a result of the application of the provisions of this Article.

ARTICLE 25 ACCESS TO WORK LOCATIONS

Authorized Union representatives shall be given access to non-patient and non-security work locations during working hours to conduct grievance investigations and observe working conditions on the condition that Union representatives shall comply with the regulations established in this Article, and that Union representatives shall not interfere with work operations of any department or district of the County.

Headquarters Work Locations

When visiting any department or district headquarters work location, Union representatives shall contact the personnel office prior to entering any work areas. The Union representative shall state the purpose of his visit, i.e., grievance investigation or observation of working conditions. The Management designate in the personnel office may deny access to work areas if it is deemed that a visit at that time shall interfere with the operations of the department. If access is denied, the Union representative shall be informed when access will be made available. Such access shall not be more than 24 hours, excluding Saturdays and Sundays and legal holidays, after the time of the Union representative's request, unless otherwise mutually agreed to.

Field Work Locations

Union representatives desiring access to field work locations shall either telephone the appropriate Management representative responsible for the district, division or yard or shall personally contact such Management representative upon entering any work location under his supervision. The Management representative contacted may deny

access to a work location if he deems a visit at the time indicated shall interfere with the operations of the department or district. If access is denied, the Union representative shall be informed when access will be made available. Such access shall not be more than 24 hours, excluding Saturdays and Sundays and legal holidays, after the time of the Union representative's request, unless otherwise mutually agreed to.

Union Representative List

The Union shall give to each department or district head having employees in the Unit a written list of the names of all authorized Union representatives, which list shall be kept current by the Union. Access to work locations shall only be granted to Union representatives on the current list.

ARTICLE 26 LEAVE OF ABSENCE FOR UNION BUSINESS

Not more than one employee covered hereby, at written request of AFSCME, Local 119 and subject to Civil Service Rules, shall be granted a leave of absence without pay not to exceed one year for the purpose of conducting AFSCME Local 119 business with the County of Los Angeles.

The provisions of this Article do not apply to probationary and temporary employees.

ARTICLE 27 CONTRACTING OUT

In the event the County enters into any agreement with another public employer or private entity which involves the transfer of functions now being performed by employees in this representation unit or the law provides for the transfer of functions now being performed by employees in this unit to another public or private agency, the County will advise such public or private entity of the existence and terms of this Memorandum of Understanding and will immediately advise the Union of such agreement or law. In addition, the County will consult with the employer absorbing a County function to encourage utilization of affected employees by the new employer. When a Request For Proposal or other contract solicitation documents are approved and issued, the Employee Relations Division of the Chief Executive Office will arrange to meet with representatives of the Union to advise them of this action within five (5) business days.

When advance knowledge of the impact of pending changes in function, organization, or operations is available which will result in the abolishment of positions or when there is any major reassignment of functions from one department to another or to another agency, Management will make an intensive effort to either reassign or transfer affected employees to other positions for which they qualify, or train affected employees for new positions in order to retain their services. It is understood and agreed that Management shall have no obligation to negotiate the decision of any reorganization by the County during the life of this agreement. Management acknowledges an obligation to negotiate the impact on wages, hours, and working conditions of the employees in this bargaining unit insofar as such subjects have not already been negotiated.

ARTICLE 28 EMPLOYEE LISTSSection 1.

The master list is a list of the names and payroll locations of all employees in the classifications comprising this unit as listed in Article 6, Salaries. Local 119 shall pay to the County \$100.00 for each additional master list furnished by the County. Such payment shall be due and payable within 30 days from the date of billing. Within 30 days from the effective date of this Memorandum of Understanding, Management shall provide Local 119 with the first master list without charge.

Upon Local 119's request the County will provide the master list in computer tape format following Local 119's payment to the County of an initial \$500.00 programming fee.

Section 2.

Management will supply to employees newly hired or transferred into the Unit a package supplied by AFSCME Local 119 which will advise such employees that AFSCME Local 119 is the certified majority representative of the Unit.

ARTICLE 29 OBLIGATION TO SUPPORT

The parties agree that subsequent to the execution of this Memorandum of Understanding and during the period of time said Memorandum is pending before the Board of Supervisors for action, neither AFSCME Local 119 nor Management, nor their authorized representatives will appear before the Board of Supervisors or meet with members of the Board of Supervisors individually to advocate any amendment, addition or deletion to the terms and conditions of this Memorandum of Understanding. It is further understood that this Article shall not preclude the parties from appearing before the Board of Supervisors nor meeting with individual members of the Board of Supervisors to advocate or urge the adoption and approval of the Memorandum of Understanding in its entirety.

ARTICLE 30 FULL UNDERSTANDING, MODIFICATIONS, WAIVER

- A. It is intended that this Memorandum of Understanding sets forth the full and entire understanding of the parties regarding the matters set forth herein, and any other prior existing understanding or agreements by the parties, whether formal or informal, regarding any such matters are hereby superseded or terminated in their entirety. This Article is not intended to negate or eliminate past practice as a factor establishing agreement in practice between the parties.
- B. It is the intent of the parties that this Memorandum of Understanding be administered in its entirety in good faith during its full term. It is recognized that during such term it may be necessary for Management to make changes in rules or procedures affecting the employees in the Unit. Where Management finds it necessary to make such change, it shall notify AFSCME Local 119 indicating the proposed change prior to its implementation. Nothing herein shall limit the authority of Management to make necessary changes during emergencies or when required to do so by law. Management shall notify AFSCME Local 119 of changes resulting from emergent or legal requirements as soon as practicable. AFSCME Local 119 shall notify Management within five (5) working days from the receipt of such notice if it desires to consult with Management. Nothing contained herein shall prevent the Union from grieving the effect of such change in accordance with the grievance procedure contained herein. Failure by AFSCME Local 119 to request consultation, pursuant to Paragraph B, shall not be deemed as approval of any action taken by the County.

- C. Except as specifically provided herein, it is agreed and understood that each party hereto voluntarily and unqualifiedly waives its right, and agrees that the other shall not be required, to negotiate with respect to any subject or matter covered herein or with respect to any other matters within the scope of negotiations, during the term of the Memorandum of Understanding.

- D. Any agreement, alteration, understanding, variation, waiver or modification of any of the terms or provisions contained herein shall not be binding upon the parties hereto unless made and executed in writing by all parties hereto and, if required, approved and implemented by County's Board of Supervisors.

- E. The waiver of any breach, term or condition of this Memorandum of Understanding by either party shall not constitute a precedent in the future enforcement of all its terms and provisions.

ARTICLE 31 CONSULTATIONSection 1.

All matters affecting employee relations, including those that are not subject to negotiations, are subject to consultation between Management representatives and the duly authorized Union representative. Every reasonable effort shall be made to have such consultation prior to effecting basic changes in any rule or procedures affecting employee relations.

Section 2.

Within 90 days of the effective date of this Memorandum of Understanding, the Department Head or his/her representative shall, upon request, consult with the President and Vice President or Chief Steward and the senior steward in the affected department regarding the implementation of other than a five-day, eight-hour workweek at selected facilities employing persons represented by AFSCME Local 119.

Subsequent consultations on this subject shall be held no more frequently than once quarterly during the term of this agreement.

ARTICLE 32 PROVISIONS OF LAW

It is understood and agreed that this Memorandum of Understanding is subject to all current and future applicable Federal, State and County laws, ordinances and regulations, the Charter of the County of Los Angeles, and any lawful rules and regulations enacted by County's Civil Service Commission, Employee Relations Commission or similar independent commissions of the County. If any part or provisions of this Memorandum of Understanding is in conflict or inconsistent with such applicable provisions of Federal, State or local law or regulations, or is otherwise held to be invalid or unenforceable by any tribunal of competent jurisdiction, such part or provision shall be suspended and superseded by such applicable law or regulations, and the remainder of this Memorandum of Understanding shall not be affected thereby.

ARTICLE 33 STRIKES AND LOCKOUTS

During the life of this agreement no work stoppages, strikes, slowdowns, or picketing shall be caused or sanctioned by the Union, and no lockouts shall be made by the County.

In the event any employees covered by this agreement, individually or collectively, violate the provisions of this Article and the Union fails to exercise good faith in halting the work interruption, the Union and the employees involved shall be deemed in violation of this Article and the County shall be entitled to seek all remedies available to it under applicable law.

ARTICLE 34 MANAGEMENT RIGHTS

It is the exclusive right of the County to determine the mission of each of its constituent departments, boards, and commissions, set standards of services to be offered to the public, and exercise control and discretion over its organization and operations. It is also the exclusive right of the County to direct its employees, take disciplinary action for proper cause, relieve its employees from duty, as for example by work furlough, because of lack of work or for other legitimate reasons, and determine the methods, means and personnel by which the County's operations are to be conducted; provided, however, that the exercise of such rights does not preclude employees or their representatives from conferring or raising grievances about the practical consequences that decisions on these matters may have on wages, hours and other terms and conditions of employment.

ARTICLE 35 CONTRACTING OUT AND TRANSFER OF FUNCTIONS

In the event the County enters into any agreement with another public employer or private entity which involves the transfer of functions now being performed by employees in this representation Unit or the law provides for the transfer of functions now being performed by employees in this Unit to another public or private agency, the County will advise such public or private entity of the existence and terms of this Memorandum of Understanding and will immediately advise the Union of such agreement or law. In addition, the County will consult with the employer absorbing a County function to encourage utilization of affected employees by the new employer. Prior to the release of a Request for Proposal (RFP) the Department shall provide a copy of the RFP to AFSCME, Local 119 and in coordination with the Chief Executive Office Employee Relations Division offer to meet and consult with the Union within ten (10) business days.

When advance knowledge of the impact of pending changes in function, organization, or operations is available which will result in the abolishment of positions or when there is any major reassignment of functions from one department to another or to another agency, Management will make an intensive effort to either reassign or transfer affected employees to other positions for which they qualify, or train affected employees for new positions in order to retain their services.

ARTICLE 36 ALTERNATIVES TO LAYOFFS

Section 1. Board Policy on Work Force Reductions

It is the intent of the parties that during the term of this MOU to comply with the June 21 and April 4, 1995, Board policy on workforce reductions.

If the County determines that workforce reductions are necessary, it will reduce to the greatest extent feasible the planned number of County personnel to be demoted or laid off by:

- a) discontinuing non-County contracted temporary personnel (Government Code Section 31000 et seq.) who perform functions comparable to County positions subject to demotion or layoff, and
- b) take other action appropriate to mitigate the adverse impact on workforce reductions on permanent employees.

Permanent or temporary County employees laid off will not be replaced by a contract employee.

Section 2. Department of Human Resources

ARTICLE 40 CONSULT
